Message

Ministry of Information and Broadcasting is bringing out the publication namely 'Statistical Handbook on Media & Entertainment Sector 2023-24,' a useful document that highlights the growth of India's media and entertainment sector. This handbook provides a detailed overview of the sector's progress and a reference document for all stakeholders in the sector.

Advancements in technology have transformed India's media & entertainment industry, changing the way content is created and accessed. Guided by the Hon'ble Prime Minister's vision of Viksit Bharat by 2047, we are focused on ensuring that high-quality media content is accessible to every citizen.

The recent initiative taken reflects our commitment to promoting a creative economy, generating employment, and addressing information gaps in underserved areas.

The Indian Media and Entertainment Industry is growing at an exceptional rate, significantly attracting investments and contributing to the nation's growth. The Government is determined to foster innovation and investment, ensuring the continued growth of this sector.

I congratulate the Economic Wing of the Ministry of Information and Broadcasting for collating the data for publishing this handbook. It is a testament to our collective vision for a strong, inclusive, and innovative media & entertainment sector and push for growth of creative economy.

Message

For informed decision-making and governance, there is a need for timely, reliable and comprehensive data. From the economic point of view, Media and Entertainment is an important segment of the service Sector which is growing at a faster rate and has huge potential to contribute to GDP, creating employment opportunities, increasing share in export of services and attracting domestic as well as foreign investment.

Media & Entertainment ecosystem is a sunrise sector and is expected to grow at 10% CAGR to reach ₹3081 billion in 2026. Various policy initiatives taken and their implementation need to be backed by appropriate data to have the optimum outcome.

The Ministry of Information and Broadcasting is entrusted with the task of disseminating information about Government policies and programmes through the medium of mass communication. The Ministry is also the focal point regarding policy matters related to the private broadcasting sector, administering the public broadcasting service - Prasar Bharati, film promotion and certification and regulation of print media. To discharge the mandate given to this Ministry efficiently, data on the various aspects of the sector is an important input.

Keeping in view the data requirement of the Ministry and other Stakeholders in the sector, the Statistical Handbook on Media & Entertainment which was brought by in the year 2022-23 year has been revised with the latest updates to publish the latest edition of it. It is expected to bridge the data gap in the Sector.

I appreciate the efforts made by the Economic Wing of this Ministry to bring out the Second edition for the year 2023-24. This will go a long way in meeting the data requirements of all stakeholders in the sector.

Preface

The Ministry of Information and Broadcasting is the face of the Government of India in reaching out to the masses. The crucial task of disseminating information about government policies, schemes and programmes through different media vehicles is entrusted to the Ministry. Radio, television, films, press and print publications, digital and social media, posters, advertising, and traditional modes of communication such as dance, drama, folk recitals, puppet shows – all these are effectively brought into play by the Ministry and its media units in dissemination and free flow of information. The Ministry is also the focal point regarding policy matters relating to private broadcasting, administering of the public broadcasting service (Prasar Bharati), multimedia advertising and publicity of the policies and programmes of the Government of India, film promotion and certification and regulation of print and digital media. For taking policy decisions and their successful implementation the data on different segments of Media and Entertainment is an essential input.

From the economic point of view Media and Entertainment is an important segment of the service Sector which is growing at a faster rate and has huge potential to contribute to GDP, creating employment opportunities, increasing share in export of services and attracting domestic as well as foreign investment.

The Ministry plays an important role in regulating as well as promoting the growth of the sector. The data plays a vital role in taking appropriate policy decisions on the mandate given to this Ministry. Though data is available in different organizations within the Ministry and outside, but the consolidated data will facilitate and enhance the efficiency in decision-making based on evidence.

Keeping this in view, the Statistical Handbook on Media and Entertainment Sector which was started in 2022-23 by collecting and collating relevant data from various sources now been revised with updated data to capture developments in different segments of the sector and make the contents more comprehensive. Apart from this, some additional fields of data are also included in this second edition of the Publication of 2023-24.

Any suggestions to improve the content of the publication further are most welcome.

Table -2.9**Chronology of Landmark Events in Private FM Radio Stations**

Sr.No.	Landmark event	Date
1	Government of India allowed private sector Indian companies to set up private FM Radio Stations in a phased manner.	9 th Five Year Plan (1997-2002)
2	Phase-I: First phase was launched by Ministry of Information and Broadcasting (MIB) in 1999, during this phase total 108 channels in 40 cities were offered to private agencies in the FM spectrum band (88-108 MHz). The permission for operation of the Channels was awarded for a period of 10 years. To award these permissions, a multiple round auction mechanism was followed. Out of 108 channels, the bid amount was paid only for 37 channels. Of these 37 channels, 21 channels became operational.	1999
3	Phase-II: The Government announced the policy for Phase-II of Private FM radio broadcasting 2005. In Phase-II, a two-stage bidding process i.e. eligibility and financial bidding was followed. A total of 337 channels were put on bid across 91 cities with a population equal to or more than 3 lakhs. Of 337 channels, 284 were successfully bid and, after scrutiny, permission was given for 245 channels spanning 87 cities. In Phase-II, 222 channels became operational. All the 21 operational channels of Phase-I also migrated to Phase-II after paying the migration fee. In total, 243 FM radio channels became operational in 86 cities in Phase-II.	13th July, 2005
4	Phase-III: Policy Guidelines for Phase-III of Private FM radio broadcasting were issued by the Government in 2011. The permission for the channels shall be granted on the basis of Non-Refundable One-Time Entry Fees (NOTEF) and is valid for a period of fifteen years. Total 232 channels were migrated from Phase-II to Phase-III during the year 2015 and 2016 after paying the migration fee (Non-Refundable One-Time Migration Fees) amount of around Rs. 1744 crores. The e-auction for the channels to be taken up in Phase-III will be in batches. Further, in Phase-III expansion of FM radio, 839 FM radio channels were made available for auction.	25 th July, 2011
	Batch-I: The E-auction of first batch of private FM radio Phase-III channels was commenced in July 2015 wherein 135 channels were put up for auction. 97 out of 135 private FM radio channels were successfully auctioned. Total amount as NOTEF received in Batch-I was around Rs. 1157 crores.	July 2015

Sr.No.	Landmark event	Date
	Batch-II: The E-auction of second batch of private FM radio Phase-III channels was commenced in 2016 wherein 266 channels including unsold channels of first batch were put up for auction. 66 out of 266 private FM radio channels were successfully auctioned. Total amount as NOTEF received in Batch-II was around Rs. 200 crores.	2016
5	To improve Ease of Doing Business in the country, Government vide order in 2022 made few amendments regarding removal of 3 years window period for restructuring of FM Radio permissions within the same management/group during the license period of 15 years, removal of 15% National Cap on channels holding and changes net-worth requirement criteria for the concerned category cities.	4 th October, 2022
6	There are 388 private FM Radio Channels operational in 113 cities across the country. The coverage of Private FM Radio has increased by more than 50% under Phase-III with respect to Phase-II. Presently, the Ministry is in the process to auction further frequencies which is likely to expand the reach of Private FM Radio.	As on 2024

			Magistrates. Instead, publishers will now submit a single online application through the Press Sewa Portal, streamlining the entire process that previously involved eight steps. Notably, the 2023 act also marks a significant shift towards decriminalization as compared to the stringent provisions of the Press and Registration of Books Act, 1867. These changes collectively aim to modernize and simplify the registration landscape, fostering an environment conducive to the swift and efficient initiation and running of publications.
2	The Cinematograph Act, 1952	Section 7,8,14,15	The Cinematograph Act, 1952 amended for decriminalizing and rationalizing offenses to further enhance trust-based governance for ease of living and doing business. Section 7,8,14,15 of the 1952 Act are amended through the Jan Vishwas (Amendment of Provisions) Act, 2023.
3	The Cable Television Networks (Regulation) Act, 1995	16,17,18	With an aim to make the Cable Television Networks (Regulation) Act, 1995 more business-friendly and to boost the investor confidence in the sector, punishments specified under Section 16 were re-examined and were decriminalized through the Jan Vishwas (Amendment of Provision) Act, 2023. The imprisonment provisions have been now replaced with monetary penalty and other non-monetary measures like Advisory, Warning and Censure. These measures will be enforced through the “designated officer” defined in the rules notified today. Moreover, Section 16 now introduces an appeal mechanism against the order made by designated officer. Sections 17 and 18 were omitted for being redundant.

Table No. 8.5**List of Portals for Ease of Doing Business by Ministry of I&B**

The Ministry of Information and Broadcasting has launched different transformative portals that seek to revolutionize the media landscape in India. The portals, inter alia, will ensure ease of doing business by fostering a more conducive business environment for newspaper publishers and TV channels, and enhance transparency and efficiency in government communication. These portals are-

S.No.	Portal	Function
1.	Press Seva Portal	It is an online facility for registration of periodicals and other related services to publishers. Helps in filing applications for registration by publishers, submission of annual returns, and other details as required under the PRP Act 2023. Aims to simplify registration procedures.
2.	CBC's TEMPEST (Transparent Empanelment, Media Planning, and eBilling System) for the Central Bureau of Communication (CBC).	The new system will streamline CBC's empanelment of newspapers, periodicals, TV, Radio, and digital media, issue of release orders, submission of bills online, processing of bills and payments, etc. It is also designed to enhance transparency and efficiency in media planning processes and provide an end-to-end ERP solution for the media industry. Also provides quick grievance resolution through a chatbot-based interactive software.

S.No.	Portal	Function
3.	NaViGate Bharat portal	NaViGate Bharat portal (National Video Gateway of Bharat) is a unified platform for videos related to achievements and schemes of the Government of India. Users can search, stream, share, and download videos related to government initiatives, with advanced search options and dedicated pages for Ministries.
4.	National Register for Local Cable Operators (LCOs)	This will create a comprehensive database of Local Cable Operators (LCOs) enabling the Government to streamline regulatory processes in the cable television sector in the future.
5.	Broadcast Seva portal	This online platform streamlines the application processes for various broadcast services, fostering sector growth and aligning with the government's "Ease of Doing Business" initiative. The Ministry launched a revamped version of the Broadcast Seva portal on April 4, 2022.
6.	Policy Level Intervention for Private Satellite TV Sector	The Ministry of I&B has revised its policy guidelines, which have been notified in November 2022. The consolidated Guidelines aim to ease the process of issuing permissions to companies and Limited Liability Partnerships (LLPs) registered in India for the uplinking and downlinking of television channels, setting up of teleports and teleport hubs, and the use of various news-gathering systems.
7.	Prasar Bharati – Shared Audio Visuals for Broadcast and Dissemination (PB-SHABD)	Launched in March 2024, PB-SHABD is a news sharing service by Prasar Bharati, DD News, Akashvani News, and the updated News on AIR mobile app, offering clean feed news stories in major Indian languages across fifty categories. This service is available free of cost for the first year as an introductory offer. It provides daily news feeds in video, audio, text, photo and other formats to the subscribers from media landscape.

S.No.	Portal	Function
8.	Film Facilitation Office India	The Ministry of I&B set up the FFO in the NFDC with a view to promote and facilitate film shootings by foreign filmmakers in India. The services rendered by the FFO have now been extended to Indian filmmakers as well. It acts as a single-window facilitation and clearance mechanism that eases filming in India, as well as endeavoring to create a film-friendly ecosystem and promoting the country as a filming destination.
